**Want to add some GREEN to your monthly billing statement?**

Just sign up for Auto Pay. It's an easy, convenient, and secure way to pay your AEC bill. Auto Pay lets you pay your monthly electric bill without writing checks, buying stamps or calling to pay over the phone.

It automatically transfers funds from your checking/savings account or debit/credit card each month to pay your AEC bill. Simplify your life by never mailing a payment again! Participation is free.

The first 100 new participants who sign up before July 31, 2014 will be given a **\$10.00 bill credit**. (One bill credit per member.)

Call the AEC office at 951-763-4333 and we'll be happy to walk you through the process.

In honor of Earth Day and our environment, consider signing up for auto-paperless or e-billing.

Join our growing list of members who are taking advantage of our free and secure way of viewing their utility bills online.

### **What is E-Bill?**

- **It's GREEN** – paperless billing is better for the environment.
- **It's convenient** – review your account at any time. You'll receive a monthly e-mail notification when your bill is ready for viewing.
